## MOVE IN CONGRESS FOR FULL LIGHT ON MEXICAN SITUATION

Representative Gould Calls  
for Inquiry Covering Nine  
Years of Turmoil.

300 MURDERS AT ISSUE

Pillage of American Prop-  
erty and Attacks Along  
Border to Be Taken Up.

WILSON AVOIDS MANDATE

Sentiment in Central and  
South America Said to Con-  
trol Action Here.

Special Dispatch to The Sun.  
WASHINGTON, June 18.—Thorough  
investigation of the Mexican situation  
is provided for in a joint resolution in-  
troduced in the House to-day by Rep-  
resentative Gould (New York), which  
calls for the appointment of a commit-  
tee for this purpose composed of three  
Senators and three Representatives.

The resolution lists six subjects,  
which cover practically every phase of  
the Mexican problem since 1910. They  
are:

The relations, economic, political  
and military, of the Government of  
the United States with the Repub-  
lic of Mexico from the year 1910  
until the date of the report.

The conditions and incidents lead-  
ing up to, concerned in or respon-  
sible for such relations.

The economic, political and phys-  
ical treatment accorded American  
and other foreign citizens in Mexico  
and elsewhere as to their lives and  
properties in the Republic of Mex-  
ico subsequent to 1910.

The extent to which the Govern-  
ment of the United States through  
Ministerial assurances to foreign  
Governments or otherwise has  
obligated the people of the United  
States for the collection, payment  
or liquidation of public or private  
claims against the Government or  
industrial districts abroad.

The policy and activity of the  
Government of the United States in  
presenting and pressing claims of  
American citizens for loss of life  
and property by violence, confiscation,  
restoration, legislation or gov-  
ernmental activity in seeming  
violation of the treaty services of the  
United States.

## Aero Freight Connects Brussels and Paris

BRUSSELS, June 18.—Regular  
transportation of merchandise  
by airplane between Brussels and  
Paris, established by companies  
in the two cities, has already re-  
sulted in some unusual cargoes  
being carried.

For instance, a consignment of  
nearly 500 pounds of live  
lobsters, brought by one of the  
airplanes of the system, arrived  
at the airport near here yester-  
day. The crustaceans were in  
excellent condition.

## CONGRESS KILLS DAYLIGHT LAW

Senate and House Join in Re-  
peal by Overwhelm-  
ing Votes.

CALDER DEFENDS ACT

La Follette Opposes Bill as  
War Measure Not Passed  
by People.

Special Dispatch to The Sun.  
WASHINGTON, June 18.—Daylight  
saving was killed in Congress to-day,  
in the Senate by an overwhelming vote  
and in the House by almost two to one.

The question was brought before the  
Senate by Senator La Follette (Wis.),  
who offered an amendment to the  
pending agricultural appropriation bill  
to repeal the daylight saving plan at 2  
A. M. on October 28 next. Being gen-  
eral legislation the rules must be sus-  
pended to attach an amendment to an  
appropriation measure. Senator La  
Follette moved the suspension.

"Just a word in explanation," he said.  
"This daylight saving was adopted as  
a part of our war legislation. It has  
never been before the people in an elec-  
tion and they have had no opportunity  
to indicate whether they were willing  
to accept these radical changes in their  
standard time. They ought to have an  
opportunity at least to get this amend-  
ment raised on the floor of the Senate  
and House. Therefore I ask this suspension  
of rules that a vote on its merits may  
be taken."

Senator Calder (N. Y.) urged that  
action ought to be taken more formally  
with hearings on the merits and the  
like. "Every Senator," he said, "knows  
the importance of the economy that has  
been effected under this plan."

Then the roll was called on the motion  
to suspend the rules and it carried,  
48 to 20.

Several Senators who had voted  
against the motion to suspend then rose  
to explain. They had voted that way  
because they were constitutionally op-  
posed to attaching general legislation  
to appropriation measures, but never-  
theless they were opposed to the daylight  
saving plan and would vote against it.

Then the roll was called again and the  
amendment was carried, 56 to 6.

By a vote of 223 to 122, after a par-  
liamentary battle of several hours, the  
House earlier in the day repealed the  
daylight saving law. Members from  
agricultural districts generally were  
massed against representatives from  
industrial communities and centers of  
population who made a desperate fight  
to keep the extra hour in the summer  
as law.

As opposed to the blanket "argument  
that farmers do not want the law be-  
cause it forces them to go to work an  
hour earlier, members from industry  
and commerce made efforts to bring  
about the repeal of the law. They  
virtually an extra recreation hour for  
the workers and pointed out that the farm-  
ers' argument cannot hold up against  
the fact that the law had been passed  
by the Congress and that it was now  
being repealed.

Representatives Griffin (N. Y.) and  
La Guardia (N. Y.) and Garland  
(Penn.) took a leading part in the  
opposition to the bill, as did other mem-  
bers from New York and Pennsylvania,  
which have passed State daylight sav-  
ing laws.

A number of efforts to amend the  
repeal bill by advocates of the daylight  
saving plan were defeated by decisive  
majorities. The efforts to bring  
about the immediate repeal of the law.

The measure passed by the Senate  
must now go to conference, where it  
is likely to be adopted over the House  
bill. Passage of the conference measure  
is assured in each house and daylight  
saving will end in October after a two  
years trial in the United States.

SEES PNEUMONIA CONTROL.

Surgeon-General Ireland Tells  
Senators of Progress.

WASHINGTON, June 18.—Control of  
pneumonia is in sight, Surgeon-Gen-  
eral W. W. Ireland of the army told the  
Senate Military Committee to-day, in speak-  
ing the opinion of the medical profession.  
Most of the communicable diseases have  
been brought under control in rapid  
progress made during the war emergency,  
he added, urging appropriations to  
carry out the War Department's re-  
search laboratory projects for Walter  
Reed Hospital in this city.

An eventual expenditure of \$10,000,  
000 is contemplated for this purpose, he  
said.

Poulton Bigelow Critically Ill.

Kingsner, June 18.—Poulton Bigelow,  
writer and traveler, is critically  
ill with tetanus at the City Hospital  
here. Mr. Bigelow contracted an in-  
fection in finger while repairing a  
stone wall on his farm, Malden, on the  
Island.

## SAYS MARTENS DEED REVOLT PLOTTERS HERE

Seized Papers Reveal Polit-  
ical Activity, Asserts  
Senator Lusk.

FINANCIERS SOUGHT

Committee To-day May  
Learn Source of "Ambas-  
sador's" \$200,000,000.

WILL DIG TO BOTTOM

George Gordon Battle, Soviet  
Counsel, Defends Aid Given  
to Accused Russians.

L. A. Martens told the Lusk legisla-  
tive committee he was here only to buy  
machinery and material for the Soviet  
Government of Russia, but evidence  
dug from the files taken in a raid on  
his offices goes to show his activities  
were largely political. This developed  
when the committee resumed yester-  
day its hearings in the City Hall.

Summing up the facts brought out  
by the reading in the record of docu-  
ments taken from the files of the  
bureau, Senator Clayton R. Lusk, chair-  
man of the committee, said last night:

"We produced correspondence be-  
tween the Martens organization and  
radicals in this country who are work-  
ing for the overthrow of our Govern-  
ment, showing that they were in touch  
with one another and that the radicals  
who are looking to the establishment  
of soviet rule received encouragement  
from the Martens outfit."

"Second, we showed that the Soviet  
Bureau was maintaining a legal aid  
bureau to assist men in this country  
who are charged with seditious activities  
against this Government."

The question is whether there is  
any other activity which would  
establish traitorous plans on the part  
of anyone."

Source of Money Sought.

Aman to-day the committee will read  
into the record further documents ob-  
tained in the raid tending to show what  
the bureau has been up to. It is ex-  
pected that it will be able to establish  
the source of the money and what  
facts there are in regard to the \$200,-  
000,000 fund which Mr. Martens is sup-  
posed to have for the purchase of sup-  
plies.

Magistrate Brough refused yesterday  
to vacate the search warrant under  
which the documents of the Soviet Bu-  
reau were seized. He denied the mo-  
tion made by George Gordon Battle,  
counsel for the Russian Soviet Bureau,  
on the plea that the affidavit of Claren-  
ce L. Converse, one of the operatives  
of the Lusk committee, on which the  
warrant was issued, did not describe in  
enough detail the matter that the raid-  
ers expected to get. The magistrate  
took under consideration a further mo-  
tion that the entire proceeding be vacated  
on the ground that the search  
warrant was improperly used and that  
too much violence attended the taking  
of the property. Briefs on this point  
were submitted by Mr. Battle and  
Attorney General Newton, represent-  
ing the committee, and Magistrate  
Brough will announce his decision Tues-  
day.

In the meantime, by arrangement be-  
tween the opposing sides, Mr. Battle will  
go over the seized papers with the At-  
torney General and the committee. Mr.  
Martens claims to be a representative of  
the Russian Soviet Bureau. Under the  
committee has a special room. Such  
documents as the committee does not  
want will be returned. Those of dis-  
pute will be taken before the magistrate.  
Magistrate Brough, who will decide  
whether they are to be returned or not.

In a statement issued last night Mr.  
Battle claimed that the activities of Mr.  
Martens in arranging for the defense  
of Russian citizens in this country were  
perfectly proper, inasmuch as he repre-  
sented the Russian Government of Rus-  
sia. After referring to the fact that  
although he (Mr. Battle) had been per-  
mitted to be at the hearing of the Lusk  
committee none of the persons directly  
connected with the bureau had been al-  
lowed to be present, Mr. Battle continued:

"Some documents were put in evi-  
dence which showed that Mr. Martens  
and his associates were undertaking to  
assist in the defense of Russian citizens  
who were under arrest and had no  
means to defend themselves with. Mr.  
Martens claims to be a representative of  
the Russian Soviet Republic. As such  
it is his duty, as he believes, to assist  
any Russian citizen in the country who  
is unable, because of poverty, to defend  
himself."

The ambassador and minis-  
ters of other countries frequently inter-  
vene to assist citizens of their respective  
nationalities who need legal aid.  
For instance, some years ago a number  
of Italians were arrested under various  
charges in New Orleans and the Italian  
Ambassador, as I recall it, intervened  
in their behalf and retained counsel for  
them."

"There was also correspondence in-  
troduced before the committee in regard  
to the case of a Russian citizen named  
Lorenz, who had been connected with  
the I. W. W. in Chicago. His attorney  
in Chicago, Otto Christmann, had writ-  
ten to Elizabeth Gurley Flynn in regard  
to his bail on appeal, and she had sent  
the letter to Mr. Martens. Also Lorenz's  
father had written to Mr. Norvella ask-  
ing him if he could not arrange to have  
his son deported to Russia."

"There are all activities with regard  
to the protection of Russian citizens—  
perfectly proper for the representative of  
a foreign Government, whether de facto  
or de jure. Mr. Martens and his asso-  
ciates state that there were no docu-  
ments in their office which in any way  
were illegal or could be used for any  
illegal purpose, and they ask the public  
to suspend judgment and to decide ac-  
cording to the documents and the wit-  
nesses as they will be produced before  
the committee."

Remedial Laws Promised.

Writing to Mayor Hylan yesterday in  
reply to the former's offer of assistance  
Senator Lusk said:

"It certainly is the purpose of the  
committee to see that the laws are  
enforced and that the public is pro-  
tected. We are sure that the laws are  
being enforced and that the public is  
being protected. We are sure that the
